The pioneers in the field of recruitment, we offer the best career opportunities to the perfect candidates. This being the right opportunity, we introduce ourselves as an Overseas Recruiting Agency recognised by the Ministry Of Labour, Government of India with License No. 000197/BOM/PER/1000+/3/272/84. We have an excellent track record of providing appreciable services to Government organisations and reputed companies in the Middle East involved in various large engineering, construction and medical projects.

Our administration office is strategically located in the heart of the commercial capital of India. We are one of the very few recruitment offices with ID cards for Saudi Consulate in Mumbai and Saudi Embassy in Delhi. With an efficient organisational setup and requisite infrastructure, we deliver quality services.

For over three decades, we have been at the forefront of recruitment services, offering both employees and employers a wide range of professional services; with an assurance to safeguard the interests of both.

We provide expertise and ethical standards in the placements of truly qualified workers. As we continue to be committed to the highest standards in HR and placements.

Our clients are the ultimate beneficiaries of our professionalism. The quality, time management and state-of-the-art communication systems are the main highlights of our organisation. We arrange only the short-listed candidates for the final interview with delegates. Our entire system of recruitments and time-bound deployment are widely appreciated by all our clients.

Unlike others in the field, we don't only depend on the Head Office for the deployment as our branches are located in most of the major cities of India, where we have International Airports. This makes it easy for our candidates to travel from their respective hometowns to keep up with the time schedule of the sponsor.

We therefore welcome this opportunity to request you to confer on us, to act and function as your representatives in the above set capability and thereby gain your trust, confidence and goodwill. With our agile, efficient, prompt and guaranteed services, we assure you of quality for life. Looking forward to having a lifelong association with you.
